curves

Our signature range. Award winning, in house design and protected by European Design Right Registration. A true celebration of Curves, inspired by the Glamour of Marilyn Monroe, Bridget Bardot, Jayne Russell and now by Sophia Loren and Ursula Andress.

Curvy is fantastically flexible, use singularly as planters or sculptural pieces or in a multitude of combinations to make design walls or feature displays. Specify bold colour and add your own holes (see Holey Design). The important thing is... have fun!!

Notre gamme de signature, primée, conception originale et protégée par 'European Design Right'. Une véritable célébration de courbes, inspiré par le glamour de Marilyn Monroe, Brigitte Bardot, Jayne Russell et maintenant par Sophia Loren et Ursula Andress aussi.

La gamme Curvy est parfaitement modulable, utilisez seule comme une pièce sculpturale, sinon dans une multitude de combinaisons pour créer des écrans architecturaux. Précisez une couleur audacieuse et ajouter vos propres vides, voir des trous dans 'Holey design'... amusez-vous!
